MANNER AND MEANS OF THE CONSPIRACY

2. It was part of the conspiracy that JENKINS, who resides in South Carolina, sold TROY DAVIS pills laced with Furanyl Fentanyl, and had them pressed to look like 30 mg Percocet pills. It was part of the conspiracy that TROY DAVIS purchased them in South Carolina, brought them back to the Northern District of Ohio and then distributed them to PHARES among others.

3. It was part of the conspiracy that TROY DAVIS sold cocaine base (crack), heroin, fentanyl, various fentanyl analogues, and cocaine to customers and re-distributors in and around Elyria, Ohio.

4. It was part of the conspiracy that VAUGHN, JARELL DAVIS, WASHINGTON, OLIVER, and ROGERS all supplied TROY DAVIS, ELONZO DAVIS, JOHNSON and others with cocaine and/or cocaine base (crack).

5. It was part of the conspiracy that VAUGHN also supplied TROY DAVIS and ELONZO DAVIS with heroin, fentanyl, and fentanyl analogues, for redistribution to LAWRENCE, WHITE, PRYOR, HOBSON, and others.

6. It was part of the conspiracy that ELONZO DAVIS redistributed narcotics, particularly cocaine, to WILLIAM SOLOMON, ARTHUR SOLOMON, and others.

7. It was part of the conspiracy that conspirators, including but not limited to, TROY DAVIS, JARELL DAVIS, and ELONZO DAVIS used numerous vehicles, including rental cars, for the purpose of transporting and distributing narcotics without law enforcement detection.

8. It was part of the conspiracy that conspirators TROY DAVIS, WASHINGTON, QUADRON JOHNSON, ELONZO DAVIS and others, used homes located in the City of Elyria, Ohio, to store and distribute narcotics and narcotics proceeds.

9. It was part of the conspiracy that conspirators TROY DAVIS, WASHINGTON, ELONZO DAVIS, JARELL DAVIS, and others, used telephones, in particular multiple prepaid cellular telephones, to communicate with narcotics customers, and that they changed cellular telephones frequently.

10. It was further part of the conspiracy that co-conspirators used cellular telephones to make and receive telephone calls, and to send and receive text or other electronic messages, to conduct their drug trafficking activity. To reduce the risk of being detected by law enforcement, and to conceal the identity of the person using the device, co-conspirators often used cellular telephones that had been obtained in the names of other persons or in fictitious names. It was further part of the conspiracy that the co-conspirators, when using cellular phones or text messaging to conduct drug trafficking activity, used slang terms, street terminology, or code words or phrases to obscure and to disguise the true nature of their activities, and the true meaning of their conversations.

11. It was part of the conspiracy that conspirators ALVIN FENNELL, ARTHUR SOLOMON, TROY DAVIS, ELONZO DAVIS, WRIGHT, WILLIAMS, MARTIN, WASHINGTON, FLUKER, JOHNSON, LAWRENCE, VAUGHN, and others, sold controlled substances to confidential sources.

12. It was part of the conspiracy that conspirators STUDEBAKER, ALKEEM FENNELL, WARRENS, WHITE, and RICHARDSON all purchased narcotics directly for distribution and personal use from TROY DAVIS on multiple occasions. It was part of the conspiracy that all Defendants and customers used coded language to purchase and distribute narcotics.
